

KTU AT A GLANCE

The origins of KTU go back to the 1950s

Top 2 Technical University in Kazakhstan

Top 801-1000 in QS Global World Ranking 2021

Top 197 Emerging University in Eastern Europe and Central Asia

Top 5000 in Webometrics Rating

KTU TOP PROGRAMS

UNDERGRADUATE PROGRAMS

Automation Engineering
Power Engineering
Civil Engineering
Mechanical Engineering
Oil and Gas
Computer Engineering
Engineering Geology
Mining Engineering
Transport Engineering
Biotechnology

MASTER'S DEGREE PROGRAMS

Computer Engineering
Mechanical Engineering
Power Engineering
Civil Engineering
Quality Management
Automation Engineering
Engineering Geology
Mining Engineering

PhD PROGRAMS

Mechanical Engineering
Power Engineering
Engineering Geology
Mining Engineering
Civil Engineering
Transport Engineering

Education

- More than 11 000 students
- Center of World skills
- Kazakhstan Welding Institute
- University of Shanghai Cooperation Organization
- Center of Languages & Institute of Confucius
- Lifelong learning at Institute of Advanced Training

Innovation

- Centers of Engineering competencies with participation of transnational corporations
- Business Skills Park
- IT Competence Center
- CISCO Networking Academy
- Participation in International Competence Center in Mining Education (UNESCO)

Campus life

KTU builds a creative area to active students' life due to

- Digital Campus
